### Spring Grove and Clifton Avenue Improvements

As part of the City's investment in the neighborhood of Winton Place the City of Cincinnati has contracted with Sunesis Construction Company to rehabilitate the following Streets; Spring Grove Avenue, Clifton Avenue and a section of Winton Road.

This project includes the construction of new water main, intersection modifications, bridge rehabilitation, new pavement, curbs, handicap ramps and sidewalks.

The project commenced on August 3, 2009 and is anticipated to be completed by August 2010 of the following year. Motorists are encouraged to help improve safety by reducing their speed and using caution when approaching the construction area. Traffic delays are possible and motorists may wish to seek alternate routes. All businesses will remain open to the public.
